

HANK CHEN

Enthusiastic and self-driven UI/UX Designer, with a Bachelor of Architecture from Virginia Tech, seeking a career transition to Digital Product Design. Through my online education at Bloc.io I have strengthened my design skills specifically in the area of user research, designing wireframes and creating prototypes.

PROJECTS

- BlocShop** May 2017 - Jul 2017
Designed and developed an online shopping platform targeted for print and graphic designers to share and sell their works through paper prints and shirts.
- BlocJam** Jan 2017 - May 2017
Built an alternative version of Spotify using JQuery, JavaScript, HTML and CSS.
- Paycrave** Dec 2017
Designed an Android mobile application for finding food trucks and ordering food.
- BlocStarter** Nov 2016
Created a web application for people to crowd-fund donations for charities and foundations.
- BlocBox** Oct 2016 - Nov 2016
Designed and developed dash board and home page to a cloud storage webpage with JavaScript, HTML and CSS.

EXPERIENCE

- Bloc.io** Oct 2016 - Jul 2017
Web Design and Development Apprenticeship
Developed rounded UI/UX skills through a 36 week course with the mentorship of the co-founder of Made by Munsters.
Formulated branding and visual mockups by conducting user research to meet business needs.
Produced wireframes with Photoshop and prototypes with Invision for user testing.
Developed basic front-end interfaces with HTML5, CSS3, Java Script and JQuery.
- Teel Construction** Jul 2016 - May 2017
Assistant Superintendent
Collaborated with Superintendent for the completion of projects.
Supervised construction crew of 20 people and delivered a \$500,000 project on time as an assistant which in turn saved the company \$5,000 in staffing cost.
Proposed strategies to compete against large corporation in the acquisition of student talents resulted in decreased staffing cost, increased flexibility for senior superintendents and advertised the name of the company.
- isARK Studio** May 2015 - July 2016
Architectural Intern
Bridged communication between 6 subcontractors and supervisor.
Aided the design process from schematic design and design development to the production of construction drawings of 4 projects.
- Summer Architecture Studio** Summer 2013 & 2016
Teaching Assistant
Aided students during concept development of studio projects.
Provided technical supports with Photoshop, Illustrator, Indesign and Rhino.
